Noting will be easier under the new law upon a second trial. A ballot once polled right is a simple lesson not easily forgotten. There is a great deal in getting " the hang of the barn."

" Beating the law " was not found so easy a trick at the polls. But the law ought to be amended so as to make voting much simpler. Doubling the number of booths would be a great help.

The next time the worthy gentlemen who founded the P. M. L. set about purifying politics" they will know better than to turn the job over to THOMAS C. PLATT and MAURICE J. POWER.

Mayor GRANT is the first Mayor of New York to succeed himself since OAKEY HALL was chosen for two consecutive terms, twenty years ago. There is no better evidence needed of the watchfulness exercised by the people of the city over their Mayors, and of the strict accountability to which our chief magistrates are held in the administration of their office.
